Purpose of this Supplement

The purpose of this Supplement is to:

- (i) incorporate by reference into the Base Prospectus in the section entitled “*Documents Incorporated by Reference*” on page 51 of the Base Prospectus, the condensed Consolidated Interim Financial Statements of the Issuer for the six months ended 30 June 2023, together with the auditor’s report on review of the Consolidated Interim Financial Statements, and the report of the Board of Directors and the CEO (the “**Interim Financial Statements – first half 2023**”);
- (ii) confirm that there has been no significant change in the financial or trading position of the Group since 30 June 2023, and that there has been no material adverse change in the prospects of the Issuer since 31 December 2022; and
- (iii) update a part of the section of the Base Prospectus entitled “*Risk Factors*”.

(i) Documents incorporated by reference

By virtue of this Supplement, the Interim Financial Statements – first half 2023, which have been filed with the Central Bank of Ireland and the Irish Stock Exchange plc trading as Euronext Dublin, shall be incorporated in, and form part of, the Base Prospectus, at the section entitled “*Documents Incorporated by Reference*” on page 51 of the Base Prospectus. Copies of the Interim Financial Statements – first half 2023 may be obtained without charge from the registered office of the Issuer and from the Issuer’s website at <https://www.landsbankinn.is/uploads/documents/arsskyrsluroguppjor/Consolidated-Financial-Report-H1-2023-EN.pdf>.

If the documents which are incorporated by reference in the Base Prospectus by virtue of this Supplement themselves incorporate any information or other documents therein, such information or other documents will not form part of the Base Prospectus.

(ii) Risk Factors

The final paragraph of the risk factor entitled “*The implementation of the BRRD in Iceland provides for a range of actions to be taken in relation to the relevant entity considered to be at risk of failing. The taking of any action under the BRRD as implemented in Iceland could materially affect the value of any Notes*” on page 32 of the Base Prospectus shall be replaced with the following two paragraphs:

“In addition, following the publication on 7 June 2019 in the Official Journal of the EU of (i) the Directive (EU) 2019/879 of the European Parliament and of the Council dated 20 May 2019 amending the BRRD (the “**BRRD II**”) as regards the loss-absorbing and recapitalisation capacity of credit institutions and investment firms and Directive 98/26/EC and (ii) the Regulation (EU) 2019/877 of the European Parliament and of the Council dated 20 May 2019 amending the Single Resolution Mechanism Regulation as regards the loss-absorbing and recapitalisation capacity of credit institutions and investment firms, a comprehensive legislative package has been produced which intends to reduce risks in the banking sector and the financial system, reinforce banks’ ability to withstand potential shocks and strengthen the banking union from 28 December 2020. BRRD II was incorporated into the EEA Agreement by EEA Joint Committee Decision No. 145/2022. In June 2023, the Icelandic Parliament approved a bill which amended Act No. 70/2020 on Recovery and Resolution of Credit Institutions and Investment Firms, implementing BRRD II into Icelandic law.

The BRRD II reforms also introduce, in Article 33a, a new pre-resolution moratorium tool as a temporary measure in an early stage and new suspension powers, which the resolution authority can use within the resolution period. Any suspension of activities can result in the partial or complete suspension of the performance of agreements (including any payment or delivery obligation) entered into by the respective credit institution. The exercise or perceived increase in likelihood of exercise of any such power could, as stated above, materially adversely affect the rights of holders of Notes, the price or value of their investment in any Note and/or the ability of the Issuer to satisfy its obligations under any Note.”

(iii) No significant change and no material adverse change

The following wording shall replace the paragraph in the section entitled “*General Information – Significant or Material Change*” on page 185 of the Base Prospectus:

“There has been no significant change in the financial position or financial performance of the Group since 30 June 2023, and there has been no material adverse change in the prospects of the Bank since 31 December 2022.”
